

November 19, 2020

Dear Colleague,

Because of your generosity, Pierce County Medical Society (PCMS) Foundation donates to several local non-profits each year. Your participation in the **Annual Holiday Sharing Card Campaign** helps us do just that. We thank you!

Yet, the need for Pierce County Non-Profits that are working tirelessly, preventing homelessness, providing emergency shelter, food security, medical care, and mental health services remains high amid the pandemic.

Because of COVID-19, the popular basket raffle at the Annual Meeting has been cancelled and we will miss the opportunity to raise additional funds this year.

Grant requests are outpacing the capacity to fully fund our area non-profits.

Despite the great need, in 2020 ten area organizations benefited from PCMS Foundation gifts. Your past generous donations have made an impact with the following organizations: *Associated Ministries, Catholic Community Services, Making A Difference Foundation, Neighborhood Clinic, New Phoebe House, Perinatal Collaborative of Pierce County, Pierce County Aids Foundation, Pierce County Project Access, The Wishing Well Foundation and Trinity Presbyterian Church.*

Simply complete and return the form below to the PCMS Foundation by December 4 to include your name on this year's Holiday Sharing Card. You can donate by check or credit card. Donation forms can be faxed to 253.572.2470.

Your contribution is tax deductible and supports local non-profits doing phenomenal work under extraordinary circumstances. Thank you again for your continued generosity.

Happy Holidays to you and yours!

Sincerely,

Charles M. Weatherby, MD
PCMS Foundation President

Return completed form with your donation - Make checks payable to PCMS Foundation

Mail donation to 223 Tacoma Ave S, Tacoma WA 98402 or fax 253.572.2470
